ADDENDUM #49 T-0483

SOLICITATION # 29436

May 8, 2002

FROM: Michael Shifman
Purchase Bureau

SUBJECT: Minicomputer, Microcomputer, Workstation and Associated Products
Term Contract

CONTRACT PERIOD: 07/01/97 TO 04/30/03

In accordance with Addendum #44, Dell has updated their list of desktop products by offering one desktop system and three notebook systems as indicated on the attached. In addition, these models and prices are valid until August 31, 2002.

Please file this addendum with your Notice of Award for future reference.

REMEMBER: Since we have already shopped the contract for price, you do not have to get three quotes if you are purchasing these computer bundles: simple reference this Addendum.

This addendum is available in PDF format only.

RE: Dell Volume Quotes

Continuing OIT and the Purchase Bureau's effort to avoid future years' cost increases, we requested volume quotes against the Minicomputer, Workstation, Microcomputer State Contract for specified Dell and Compaq microcomputers. On May 6, 2002, we received quotes from Dell Marketing.

The quoted prices from Dell are as follows:

<u>Dell Model</u>	<u>Volume Price</u>	<u>Volume Reduction</u>
Optiplex GX240 1.6 GHz	\$938	\$84
Latitude C400	\$2206	\$53
Latitude C610	\$1791	\$98
Latitude C840	\$1983	\$46

Based on the above, I recommend an award to Dell Marketing for the Dell PCs.

Agencies ordering from Dell should refer to the following order codes:

<u>Dell Model</u>	<u>Order #</u>
Optiplex GX240 1.6 GHz	81368758
Latitude C400	81079424
Latitude C610	81079807
Latitude C840	81080256

I will prepare an addendum to the mini/micro/workstation contract based on the above information.

If you have any questions, please give me a call.
